**Prospective Bible Study Facilitator Questionnaire**

Dear Prospective Bible Study Facilitator,

Thank you so very much for your interest in facilitating Bible study at BBC. We are exceptionally serious about the priority to study the Word of God. The purpose of this survey is to help ensure that BBC has the right men and women facilitating Bible study. Included in this idea of facilitation are the activities of operating video equipment, taking attendance, issuing or assessing homework, and mediating discussion. Please return the questionnaire to me in an envelope.

Pastor Sean Harris

Please note: You must be a member of BBC in order to facilitate a Bible study.
