

**We understand that choosing a college is a very important decision. We also realize that the Lord has not called everyone to the same college. Each year Berean 11<sup>th</sup> and 12<sup>th</sup> grade students and their parents can take part in one or all of our college road trips. These trips will help families in their decision making process as to the right college or university for their student.**

**Anyone wishing to participate in one of these trips please contact Pastor Joe at [jdrullard.bbc@gmail.com](mailto:jdrullard.bbc@gmail.com)**
