

Berean Baptist Church has a wonderful children's ministry, and in that ministry we use a Parent rotation Program. This program stresses parent involvement with the children by sharing in the responsibility of providing loving and quality childcare. All parents or guardians who are members or faithful attenders help on a rotational basis. Without parent involvement, there would be no childcare available during our preaching services. To ensure the safety of all our children, we do require background checks for everyone working with children.

We could not provide a happy, healthy and safe environment for our children without your help in serving! If you have any questions, please feel free to call our Nursery Director, Mrs. Reyna Torberson, at **910-391-1290** or email her at **rtorberson@gmail.com**.
