

BEREAN BAPTIST CHURCH

EVENT SCHOLARSHIP APPLICATION

BBC encourages its members to participate in camps, conferences, retreats, Bible studies, sporting programs, and other events that charge a specific fee for spiritual and recreational benefits. However, it is never the church's desire that financial inability keep someone from benefiting from church sponsored events. BBC's deacons may use funds from the church's benevolence fund to help those who cannot afford to pay for the cost associated with these events. The purpose of this application is to provide the deacons and church treasurer the information necessary to process requests for help. **Help is limited to 50% of the event cost.**

Please complete this application, place it in an envelope and return it to the front office, place it in the offering plate, or hand it to any pastor/deacon. The information in this application will be kept confidential.
